Dear Mr Maher

I refer to your application pursuant to the *Freedom of Information Act 1991* (the Act) received by the Office of the Minister for Environment and Water, on 21 May 2018, seeking access to:

> *"Since 17 March 2018, copies of any and all versions of any document which lists all staff and/or job titles in the Minister's office, including department staff appointed to the Minister's office."*

DETERMINATION

As the agency did not determine the application within 30 days of receiving it, by the operation of section 19(2)(b) of the FOI Act, the agency is taken to have determined the application by refusing access.

However, section 19(2a) of the FOI Act, provides that an agency may give access to a document on an application after the period within which it was required to deal with the application (and any such determination is to be taken to have been made under this Act).

Searches of the agency records have found four (4) documents held by this agency within scope of your request.

As the Accredited FOI Officer, I have determined to grant you partial access to these documents. Some of the information contained within the documents is out of scope of your request and has been marked as 'out of scope'.

DISCLOSURE LOG

In accordance with PC045 – *Disclosure logs for Non-personal information* once a determination has been provided, the agency is required to make available on our website information and documents that have been disclosed. Information will be publicised online at http://www.environment.sa.gov.au/about-us/freedom-of-information/foi-disclosure-log.

FEES AND CHARGES

There is no charge for processing this application.
