Stories of Goolwa

collected and formatted by G.W. (Frodo) Krochmal

The interviews available from this page are part of the Alexandrina Library Service Local History Archive. This information was provided on CD, together with additional transcripts of interviews related to Hindmarsh Island, Mount Compass and Port Elliott.

This electronic Archive (collected and formatted by Frodo Krochmal) also includes images, a selected list of Family History Resources, back issues of the History Room newsletter, a diary of life aboard the vessel Shiralee and indexes to surveys and various other documents.

For further information related to aspects of this Archive, contact the Library Manager of the [Alexandrina Library Service](#).
