From the Nullarbor Parks Advisory Committee Chairperson

The vast, spectacular and unique Nullarbor (Mirning Country) has a strong and respected spirit. Mirning people are taking care of Country and providing opportunities for all.

This is the vision of the Nullarbor Parks Advisory Committee, and as we conclude the fourth year of the Committee we reflect on our achievements in this reporting period.

We are respecting the rights, interests and needs of the traditional custodians and creating social development and economic opportunities for the Mirning people, and their families and communities.

We are managing and preserving the cultural landscape, still known and understood by its Aboriginal traditional custodians as well as the park's outstanding natural features.

We welcome you to visit!

Clem Lawrie

Agency contribution to whole of Government objectives

SA Government is committed to putting local communities at the heart of sustaining, conserving and revitalising our state's natural resources and acknowledges the Aboriginal nations of SA and the role they continue to have in purposefully shaping and caring for the area that we know as South Australia.

Key objective	Agency's contribution
More jobs	We are respecting the rights, interests and needs of the traditional custodians and creating social development and economic opportunities for the Far West Coast People, their families and communities.
Lower costs	Through the DEW procurement process we seek to support local regional businesses and community in our efforts to provide a great park experience and management at a reasonable cost.
Better Services	SA Government seeks to foster a greater relationship with all South Australians to work together for better services and a better future, particularly in enabling partnerships that support and encourage Aboriginal nations to continue to take a leading role in park management.

Agency specific objectives and performance

Agency objectives	Indicators	Performance
Advise the Minister on any matter referred to the Committee by the Minister or Director	Provide the Minister and/or Director with a broad based community view on a variety of park issues.	SA public find value in managing parks, protection and promotion of culture of Aboriginal people, while maintaining park access and use for the general public. The ability for Aboriginal people to exercise traditional rights is an expectation of the SA community.
Nullarbor Parks Management Plan	Consider the views of a broad community to develop strategies and prioritise work on parks based on identified targets and threats.	There is public value in consultation with and empowerment of traditional owners in decision making on parks under native title. Building strong relationships and working towards reconciliation is a reflection of SA community expectations.
Healthy Country Plan Implementation	Consider the views of a broad community to develop strategies and prioritise work on parks based on identified targets and threats.	SA public find value in looking after parks and respecting the views of traditional owners. Sustainable park management is an expectation of the SA community.

<p>Communications Strategy</p>	<p>Procedure for referring park management matters with the Far West Coast Aboriginal Corporation. Not assessed in this reporting period.</p>	<p>There is public value in further enhancing existing relationships with Native Title bodies and Aboriginal communities. Encouraging Aboriginal nations to take a leading role in park management is an SA community expectation.</p>
