RAISING A COMPLAINT

If you wish to raise a complaint, then please feel free to use the on-line feedback form at:

www.environment.sa.gov.au/contact-us

Complaints may also be lodged in person at your nearest Natural Resources Centre office, or to any staff member.

By telephone on (+61) 8204 1910

Or in writing to the Postal address:

Department for Environment and Water (DEW)
GPO Box 1047
ADELAIDE SA 5001

Anyone can make a complaint. If you do not want to make the complaint yourself, you can ask a person not directly associated with the complaint to do so on your behalf. For example an advocate, family member, legal or community representative, Member of Parliament or another organisation can submit a complaint for you. If someone makes a complaint on your behalf, we may still need to contact you to confirm details of the complaint.

If you require assistance to make a complaint, the following services are available:

- the National Relay Service provides a phone service for people who are deaf or have a hearing or speech impairment: www.relayservice.com.au
- the Interpreting and Translating Centre provides interpreting and translating services: <https://www.translate.sa.gov.au>

If you have a specific complaint about a service, product or person, it is best to raise it as soon as possible after the incident occurs and with the relevant person or area. In addition, please collect and document all relevant information, names and dates. Please also advise of any outcome, action or remedy you are seeking.

DEW accepts anonymous complaints and will carry out an investigation of the issues raised where there is enough information provided.

If your complaint falls outside DEW jurisdiction we will endeavour to give you advice about where to get help.

WHAT HAPPENS TO YOUR COMPLAINT?

Your complaint will be given careful attention. An officer will try to resolve it immediately or investigate the matter further. Many complaints are finalised quickly. Complex or formal investigations may take longer.

We will acknowledge your complaint within 5 working days. If the complaint cannot be resolved within 10 business days, the assigned contact person will provide regular updates.

Complainants have a right to expect that their complaint will be investigated confidentially, to the extent possible. The complaint will not be revealed or made public by DEW, except where required by law. Complaints lodged with DEW are subject to the *Freedom of Information Act 1991* and confidentiality cannot be guaranteed under the provisions of that legislation.

Following investigation of your complaint you will receive advice in writing of the:

- outcome of the complaint and any action undertaken
- reason/s for the decision
- remedy or resolution/s that are proposed or put in place
- options for review that may be available, such as an internal review, external review or appeal.
