Key Directions in the Strategic Plan are intended to support the fulfilment and enhancement of the Council's functions under the *Heritage Places Act 1993* (the Act).

## Operations and Initiatives

---

### South Australian Heritage Register – State Heritage Places

A place may be entered in the South Australian Heritage Register (the Register) as a State Heritage Place if it meets one or more of the criteria specified in section 16 of the Act. The Register contains a description or notes with respect to places of heritage value to the State.

In 2012-13, **8** State Heritage Places were provisionally entered in the Register. In addition **18** provisionally entered State Heritage Places were confirmed by the Council and **2** were removed at the direction of the Minister under section 18(7) of the Act (refer to Appendix A for details).

There were **2,252** confirmed entries in the Register at 30 June 2013 (refer to Appendix B for summary tables of State Heritage Places by Local Government Areas).

Arkaroola was confirmed as a State Heritage Place in the SA Heritage Register on the 27 July 2012.

### **South Australian Heritage Register – State Heritage Areas**

Under the Act, the Council can recommend the creation of State Heritage Areas through the process of preparing Development Plan Amendments under the provisions of the *Development Act 1993*. No new areas were recommended for the 2012-13 reporting period (Appendix B contains a list of State Heritage Areas).

### **South Australian Heritage Fund**

The South Australian Heritage Fund is established under section 10 of the Act, and money from the fund is applied to further the objects of the Act as specified in section 12.

As specified in section 10 of the Act, the Fund consists of any monies:

- appropriated by Parliament for the purposes of the Fund;
- provided by the Government of the Commonwealth;
- received by the Council by way of fees, gift, bequest or in any other way;

- received by the Minister for the purposes of the Act by way of gift, bequest or in any other way;
- any income derived from investment of the Fund; and
- any other money that is required or authorised by or under this Act to be paid into the Fund.

The Fund meets the accounting criteria of a controlled entity and is accounted for in the Department of Environment, Water and Natural Resources Financial Statements and Annual Report.

The Fund contained \$251 000 during 2012-13 and was used to implement the Heritage Grants Programme. Through the Heritage Grants Programme, owners of State Heritage Places and property owners within State Heritage Areas can apply for small grants to assist with the management and care of their properties. Following assessment of grant applications, funds were allocated to 32 projects. During the course of the grant period three grantees withdrew and two 'standby' applications were selected as replacement grant projects. All 31 grants were acquitted within the financial year (refer to Appendix C for details).

### **Heritage Agreements**

Part 6 of the Act provides for Heritage Agreements to promote the conservation of State Heritage Places. A Heritage Agreement attaches to the land and is binding on the current owner of the land whether or not that owner was the person with whom the agreement was made. A Heritage Agreement is, to the extent specified in the agreement, binding on the occupier of the land. The Minister may, after seeking and considering the advice of the Council, enter into a Heritage Agreement or, by agreement with the owner of the land to which a Heritage Agreement applies, vary or terminate an agreement.

During the 2012–13 year the Council provided advice to the Minister on the following Heritage Agreement:

- Former John Knox Church and Former John Knox School, William Street, Morphett Vale.

As at 30 June 2013, seven Heritage Agreements were in place relating to the following State Heritage Places:

- Dwelling ('Marble Hill') - Former Governors' Summer Residence (Ruin);
- Belmont, Brougham Place, North Adelaide;
- St Vigeans Estate Garden, Laurel Road, Stirling;
- Former Bank SA, Gawler Street, Mount Barker;
- Former John Knox Church and Former John Knox School, William Street, Morphett Vale;
- Beechwood Garden and Conservatory, Snows Road, Stirling; and
- Three Row Cottages and Associated Structures, 34, 36 & 38 Finnis Street, Gawler.

## **Heritage Directions**

First prepared in 2003, *Heritage Directions* was updated in 2012 to strengthen its alignment with South Australia's Strategic Plan and to incorporate key policy directions associated with the 30-Year Plan for Greater Adelaide.

*Heritage Directions 2012* explores a number of themes - reflecting an evolution in community thinking about heritage issues. It sets priorities for conserving and celebrating our past and achieving the Government's vision for creating vibrant cities, healthy neighbourhoods and safe communities.

*Heritage Directions 2012* includes six (6) broad directions. These directions are:

- A legislative and policy framework to support better management of heritage
- Fostering partnerships with others
- Government leadership for heritage
- Education and training of the community and industry in heritage
- Appreciation, celebration and promotion of this State's unique cultural heritage
- Sustainability and adaptive reuse of our heritage places to ensure they remain in use for future generations.

*Heritage Directions 2012* describes a future where heritage values are widely understood in the community and where heritage places are recognised for their contribution to the lifestyle, economy and identity of our State. It outlines where we need to be in five (5) to ten (10) years.

## **Strategic Plan**

The Council's Strategic Plan 2012-15, endorsed by the Minister in May 2012, is being implemented. A review of the Plan will be conducted in 2013-14 to assess progress to inform the Council's Work Plan.

## **Heritage Heroes 2013**

The Heritage Heroes Awards acknowledge the efforts of groups and individuals who have made a significant contribution to recognising, celebrating and conserving South Australia's heritage. The Minister presented the 2013 Heritage Heroes Awards on Tuesday 21 May 2013.
