

NATIONAL PARKS AND WILDLIFE ACT 1972

*Proposal to alter the boundary of the Scott Creek Conservation Park pursuant to Section 41A(2) of the National Parks and Wildlife Act 1972*

I, DAVID SPEIRS, Minister for Environment and Water, hereby give notice pursuant to Section 41A(2) of the *National Parks and Wildlife Act 1972*, of my intention to alter the boundary of the Scott Creek Conservation Park for minor alterations to a public road that intersects the park.

The land to be removed from the Scott Creek Conservation Park is D123612 Allotment comprising Q1005 & 1006. Its removal from the park will allow for the correct alignment of the public road within the legal road reserve.

Copies of a plan of the affected land are available from the Department for Environment and Water, on the Ground Floor of 81- 95 Waymouth Street, Adelaide City.

Submissions are invited on the proposal, and may be sent to Amy Allen, Policy Officer National Parks and Protected Area Program, Department for Environment and Water, GPO Box 1047, Adelaide SA 5001, or via email at [amy.allen2@sa.gov.au](mailto:amy.allen2@sa.gov.au). Submissions will be accept up to and including 14<sup>th</sup> October 2020.
