Dear Tonia,

I refer to your application to the Native Vegetation Council on behalf of Adelaide Hills Council for consent to clear 0.34 ha native vegetation at the Stirling Cemetery. The Native Vegetation Assessment Panel (NVAP) would like to thank you and Natalie Westover for attending their meeting held on 11 February 2020.

At the meeting NVAP considered your clearance application for the purpose of providing more grave sites at the cemetery in conjunction with a reports from the Native Vegetation Management Branch and Adelaide Mount Lofty Ranges NRM Board, plus submissions from the Aldgate Valley Landcare Group and Nature Conservation Society of SA.

Based on the information presented, NVAP resolved to refuse consent to the application for the reasons outlined on the attached Decision Notification.

Yours sincerely
