

BASIC KEEP RESCUED ANIMALS PERMIT APPLICATION (Class 1A) SOUTH AUSTRALIA 2018-19

A Basic Keep Rescued Animals Permit is a permit issuant pursuant to section 58 of the *National Parks and Wildlife Act 1972* that entitles the holder (being a person who does not carry on the business of dealing in protected animals) to keep 2 or more of the animals of the species listed in Schedule 6 of the *National Parks and Wildlife (Wildlife) Regulations 2016* that have been rescued as sick, injured or orphaned animals.

Note: This permit does not take the place of a Protected Animals Rescue Permit under section 55. All animals that have been rescued still require a Protected Animals Rescue permit to cover the act of taking the animal from the wild.

Information supplied on this form will enable your application to be processed as prescribed by the *National Parks and Wildlife Act 1972*. Your application must be assessed and a permit granted before you can proceed with the proposed activity. Your application may take up to ten (10) business days to process.
