

# APPLICATION FOR A TAG-LIFE EXTENSION

This application is available for field processors who are seeking an extension of time to use tags that have not yet expired. An extension may be granted for up to 6 months in reasonable circumstances (eg; bad weather, kangaroos in poor condition), provided the tags have not expired before applying for the extension.

To the Kangaroo Management Program,

I, \_\_\_\_\_, hereby apply for tag-life extensions for  
(First Name and Surname)

the following allocations:

Tag Allocation No.	Sub-Region	Expiry Date	No. tags seeking extension for	Allocated date <small>(For office use only)</small>

Reason for not using these tags by their expiry date (please attach any supporting information):

---

---

---

---

---

---

---

---

I am seeking an extension for (maximum of 6 months):

(Please specify) \_\_\_\_\_

Field Processor Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Please Note:**

- All decisions around applications for tag-life extensions remain at the discretion of DEW.
- Applications for tag-life extension must be received by DEW before the expiry date of the tags.
- Multiple extensions for a single tag allocation may be considered where initial tag extension was less than 6 months.
- Please allow up to 3 working days for processing of this application.

**Office Use Only:**
